Santa Barbara Airport Anticipates Busy Fourth of July

SANTA BARBARA, CA – July 1, 2013

Santa Barbara Airport (SBA) anticipates a busier-than-usual travel period this Fourth of July holiday. To make it an easy and enjoyable experience, passengers are encouraged to plan ahead and give themselves 90 minutes to find parking, check their luggage and go through security to ensure that easy walk to the gate. **As a reminder, fireworks are prohibited and should be left at home.**

The recently opened Short Term Parking Lot, located directly across from the Airline Terminal entrance, is a convenient option for those dropping off or picking up passengers. Those passengers who travel for short durations may also wish to consider this parking option. Long Term Parking Lot 1, located adjacent to the Terminal, is but a short walk to ticketing. The off-site Long Term Parking Lot 2 has a FREE shuttle that takes you directly to the Terminal (located on Frederick Lopez Road near the corner of Hollister and Fairview Avenues).

- Short Term Parking Lot = \$20 day (\$2 first hour | \$1 each additional)
- Long Term Parking Lot 1 = \$12 day (\$2 first hour | \$1 each additional)
- Long Term Parking Lot 2 = \$ 9 day (\$2 first hour | \$1 each additional)

For those picking up passengers and who do not wish to park, please use our new cell phone lots to wait for their arrival. (Next to WWII Memorial off James Fowler Road OR Cell Phone Lot off William Moffett Road at the Slough Overlook). Due to TSA security regulations in place since September 11, 2001, vehicles are not permitted to park at the Terminal curb unless active loading or unloading is taking place.

Airline Terminal amenities include:

- Complimentary Wi-Fi
- Pre-security: Coffee Bean & Tea Leaf
- Post-security: Costa Terraza Restaurant & Tapas Bar, Coffee Bean & Tea Leaf, and Santa Barbara News & Gifts

SBA is pleased to announce that the non-stop Alaska Airlines' Portland flight has returned through September 30, 2013.

Santa Barbara Airport – Easy Come, Easy Go!

The Santa Barbara Airport is a self-supporting enterprise owned and operated by the City of Santa Barbara and serves nearly 725,000 passengers annually.
